2023 MINISTRY TEAM

TIM STAPLES was a fallen-away Southern Baptist who as a teen came back to faith in Christ through the witness of televangelists. During his four-year tour with the US Marine Corps, he became friends with a Marine well-versed in his Catholic Faith who challenged Tim to study Catholicism from Catholic and historical sources. That sparked a two-year search for the truth. Immediately after his tour of duty, Tim attended Jimmy Swaggart Bible College and became a youth minister in an Assembly of God community. He was determined to prove Catholicism wrong, but he studied his way to the last place he thought he would ever end up: the Catholic Church.

He converted in 1988 and spent six years in formation for the priesthood, earning a degree in philosophy and studying theology at the graduate level. Realizing that his calling was not to be a priest, Tim left the seminary in 1994 and has been working in Catholic apologetics and evangelization ever since.

STACY A TRASANCOS earned a doctorate in chemistry from Penn State University and a master's in dogmatic theology from Holy Apostles College and Seminary. She worked as a chemist for DuPont before leaving to raise children and then becoming Catholic. Now she teaches chemistry and physics for Kolbe Academy and theology and science courses for Holy Apostles and Seton Hall University. She has been a frequent guest on Relevant Radio, Ave Maria Radio, EWTN, Catholic Answers Live, and Subject Matters with Sebastian Gomes of Salt & Light TV. She has written numerous articles for Catholic publications and is the author of *Science Was Born of Christianity: The Teaching of Fr Stanley L Jaki* and *Particles of Faith: A Catholic Guide to Navigating Science*. Dr Trasancos has seven children, three grandchildren, two German Shepherds, and lives with her family in Hideaway, Texas.

CY KELLETT is the host of Catholic Answers Live. He formerly hosted "The Bright Side with Cy Kellett" on the Immaculate Heart Radio network. For more than a decade Kellett was editor of San Diego's diocesan newspaper, *The Southern Cross*. Before that, he taught in high school and then spent several years working with the homeless mentally and ill in Massachusetts while living in a Catholic Worker house. Kellett and his wife, Missy, have three children.

"The Eucharist is "the source and summit of the Christian life."

- Catechism of the Catholic Church 1324

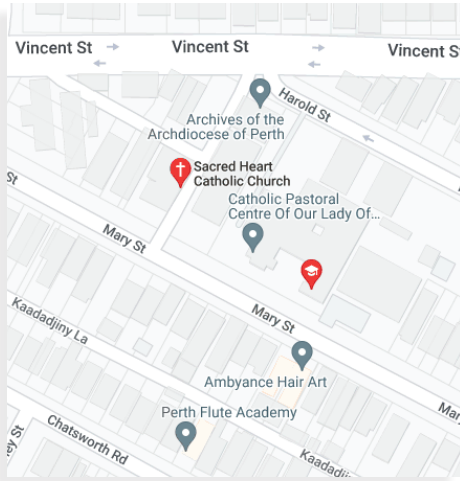

Jesus instituted the greatest gift for us on the night before his Passion - The Eucharist. Sadly, there has been a steady decline in those who believe in the Real Presence, much less show true reverence for the Blessed Sacrament. This has led to a decline in authentic worship (in the liturgy), and a general "luke warmth" has permeated Catholic life and culture.

Therefore, inspired by the Eucharistic and Liturgical Renewal movements in Perth and around the world, you are called to respond to the four invitations:

1. Ars Celebrandi (an authentic liturgical revival)
2. A personal encounter with Jesus in the Eucharist
3. Faith Formation
4. Mission and Evangelisation in our lives

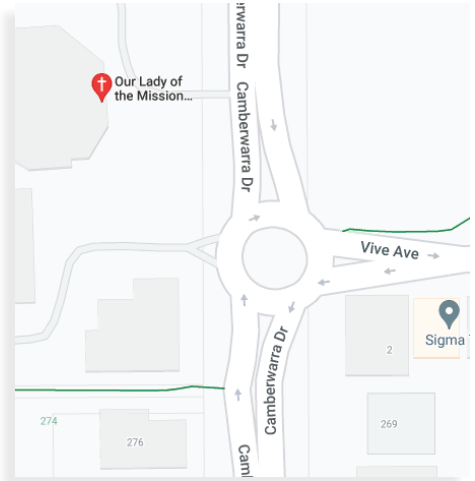

Join us for an amazing few days of prayer and discovery that will inspire you to a renewed and deeper love of our Eucharistic Lord.
